

Sometimes I go around and around and around -
Just in case I've missed something.

This little soldier was caught in a spin, going
faster and faster fearing these waiting would
lose faith in her ever finding her way. But
when she did finally get to where she was
going she realised it was she who needed
the lift. This discovery freed her from the
endlessness of the spin that nearly drove
her mad and put the brakes on her frantic
drive to continually deliver
