For all the young people I've met,  
and anybody else who cares to join in.  
This is for you ...

What saddens me the most is those who  
are hurting - hurting themselves (as I  
have done so myself).

Could we have a group mend I wonder ...

Take the Inch .

It is my integrity that is important.  
Is that so selfish? It sells for so  
little, ~~x~~ but it's all we have left  
in this place. It's the very last Inch  
of us. It's small and it's fragile and  
it's the only thing in the world worth  
having. We must never lose it. Or sell  
it. ~~xxxxxxx~~ Or give it away.

We must never let them take it from us.

post September Y.F. camp because ... we won't  
be beaten by the 'X' Factor-will we! ...we will  
sing and dance...write and draw...build and climb  
...think and question...create and change...  
because we've shown we can-and we will.
